

CONSTRUCTION NOTICE: **Roadway Repaving, Traffic Signal & Utility Excavation Work** **Wheeler Plaza Project**

As you are aware, work has begun at the Wheeler Plaza Project site, bordered by San Carlos Avenue and Walnut Street and accessible from Laurel and Cherry Streets. The sidewalk improvement and the repaving along San Carlos Ave. are scheduled to be started on June 26, 2017.

Starting June 26, the pedestrian will be directed to use the sidewalk on the north side of San Carlos Ave. between Walnut Street and Laurel Street. It is anticipated that the sidewalk and repaving work to be completed by mid-July 2017.

The repaving operation on San Carlos Ave. will require a street closure on the south bound of San Carlos Ave. between Walnut and Laurel Street. The street closures are scheduled for Saturday July 8 and Saturday July 15.

We encourage you to use caution when walking or driving in the vicinity of the project.

For additional information please visit the City's website at cityofsancarlos.org or visit wheelerplaza.com.
