

## CONSTRUCTION NOTICE: Traffic Impacts February 20, 2018: Wheeler Plaza Project

February 9, 2018

Dear Downtown Residents and Business Owners:

**Please be advised that on Tuesday, February 20, 2018, Walnut Street will be closed from 6 a.m. to approximately 6:00 p.m. to accommodate work at Wheeler Plaza.** The closure will extend from San Carlos Avenue to Cherry Street. Flagmen will be present for your safety. Residents will be allowed to enter and exit, but they should plan on up to a 30-minute delay.

The work includes the delivery, hoisting and assembly of a crane on the southern portion of the structure. The City approved the extended hours of work and the process will be repeated in approximately a month when another crane is assembled on the northern portion of the structure. The cranes are for construction purposes only and will be removed when the job is complete.

For additional information, please visit [www.wheelerplaza.com](http://www.wheelerplaza.com).
